Enough Is Enough in Dimock!

To: United States Environmental Protection Agency

OFFICE OF THE
EXECUTIVE SECRETARIAT

We object to your agency inserting itself into a legal dispute to the detriment of our township of Dimock. Cabot and the DEP entered into an agreement to resolve outstanding issues regarding some of its early wells. Cabot met these terms and the DEP, therefore, released Cabot from its obligations to deliver water to affected homeowners. These homeowners have been offered both treatment systems and financial settlements, which several accepted. Your agency is now relying upon hyped-up allegations regarding arsenic, manganese and sodium, all of which are known to be naturally occurring in our water supplies in Northeastern Pennsylvania, to create a weapon for the use of trial lawyers determined to disparage our community. These actions are an assault on our property rights and basic freedoms. We urge you to rein in the rogue Philadelphia Regional Office. Enough Is Enough!
